# REACH/SVHC Declaration of Compliance for Time Synchronization Cables

Article 33 of the REACH[1)] regulation requires Napatech to inform customers whether the received Napatech product contains substances on the Candidate List of Substances of Very High Concern (SVHC) in a concentration above 0.1% by weight per weight (w/w) in any articles within the product.

To comply with the information obligation of REACH Article 33, Napatech has evaluated the articles in the referenced products in Annex 1, for the presence of any of the 241 SVHC as updated by ECHA on June 27, 2024. Napatech has found that, except for the SVHC listed in Annex 1, the referenced products contain no SVHC above 0.1% w/w in any articles within the products, as interpreted by EU's Court of Justice judgement C-106/14. In addition, the referenced products comply with the substance restrictions listed in REACH Annex XVII that limit various substances for specific uses.

For information on Napatech's REACH policy, see document, GD00231 Napatech Statement on REACH.

This declaration supersedes previously published REACH/SVHC declarations for Time Synchronization Cables.

List of referenced products covered by this declaration.

| Part Number | Product Description |
|---|---|
| 802-0018-00-00 | Time sync cable, angled MCX-M/MCX-M, 20cm |
| 802-0019-00-00 | Time sync cable, angled MCX-M/MCX-M, 40cm |
| 802-0041-01-02 | Time sync cable, straight SMA-M/SMA-M, 3m |

Copenhagen, 2024-10-21

Lars Christiansen, Regulatory Compliance Manager, Napatech A/S

1) Regulation (EC) No 1907/2006 of 18 December 2006, concerning the Registration, Evaluation, and Authorisation of Chemicals (REACH)

Annex:

1. List of SVHC above 0.1% by weight in any articles of the referenced products.
